## OVERVIEW

Packaged in a toy, TROMPETTE À BULLES encourages recycling and eco-efficiency. This creamy shower gel combines softness and foaming power. Its moisturizing formula, guaranteed free of sulfated surfactants, gently cleanses while preserving the skin barrier. Recognized for its softening properties, the French Hamamelis hydrolate selected for this formula is COSMOS-certified. Its creamy texture is obtained thanks to ImerCare® Opaque, a natural alternative to synthetic opacifiers derived from styrene, which could clog baby elephants' trunks.
