

SILK SPRITZ

PROTECTIVE LAMINATION SPRAY SAUK_506_E

OVERVIEW:
This blow-dry spray is perfect for heat styling curly hair. It can be used with a diffuser to align curls and provide curl definition. It could also be used with the hairdryer to create a sleek and straightened look. Silsoft™ AX-E PMF is a SMART silicone which can provide thermal protection as well as strengthening properties and colour retention. Silsoft™ Q PMF provides conditioning benefits and leaves hair with a unique softness. GSP-T is based on a grape seed extract which provides hair protection from daily stresses such as chemical stress, heat and UV. Sensicare® C2010 provides product protection.
