OVERVIEW

This oil-based treatment delivers high-performance hair care through a rich yet lightweight emollient matrix. Enriched with Lipex® 205 and Lipex® SheaSolve™, it merges with the hair fiber to deeply nourish, smooth, and repair without leaving a greasy residue. The synergy of Lipex® Bassol C™, Lipex® PreAct™, and Camellia Oil enhances softness, shine, and manageability, while Neossance™ Hemisqualane provides a silky, non-occlusive finish in perfect harmony with the scalp's natural hydrolipidic film.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
A	Lipex® 205	AAK	Butyrospermum Parkii Butter	Emollient	40,00
	Lipex® Bassol C™		Canola Oil		20,00
