OVERVIEW

This body oil combines efficacy, sensoriality, and skin tolerance in a minimalist and high-performance formula. Sharofeel DS forms a silky base that envelops the skin in a lightweight, non-greasy nourishing veil, offering a smooth glide and a velvety touch. The addition of Lipex® 205 delivers intense nourishment, while Neossance™ Hemisqualane and Harmonie™ Soft Fluid bring lightness and comfort, ensuring quick absorption without any sticky residue. Saficoil acts as a structuring and thickening agent, enhancing formula stability and improving dispersion and adherence on the skin. A hint of KTZ® Extrafine Gold adds subtle radiance, leaving the skin with a refined satin glow.
