

SOFTNESS CATALYST

SOLID CONDITIONER

004.K29

97,6%
of natural origin
ingredients

ISO 16128

OVERVIEW

This innovative bi-colored solid conditioner is your gateway to effortlessly soft, nourished hair with a luxurious, eco-friendly twist. Crafted with CosmeGreen™ PC50 and JD Jojoba Butter V, this formula melts smoothly into your hair, delivering rich conditioning care that enhances shine and softness from root to tip. Montanov™ 82 ensures a smooth, creamy application, transforming into a delicate emulsion upon contact with water for an easy, fuss-free rinse. Enriched with precious Cacay Oil and Neossance™ Hemisqualane, it pampers your strands with lightweight nourishment, leaving hair silky, manageable, and full of life. The stunning green and pink shades, created with natural PhytMic, add a playful touch to your beauty routine while showcasing the formula's natural origins.
