OVERVIEW

Refresh and define your hair with this clean-look styling spray, designed to smooth flyaways, control frizz, and provide a natural, groomed finish. Formulated with Amaze® SP, a plant-based film former, it delivers light hold and structure without stiffness or residue. The formula features a balance of Ethanol for fast drying, and humectants like Glycerin and Propylene Glycol to maintain hydration and prevent dryness. Xylishine™, a marine-sugar complex, enhances hair shine and smoothness while improving manageability.
