## OVERVIEW

Restore vitality and shine to your hair with our ultra-nourishing two-phase treatment. Formulated with Burgeon-Up, it helps stimulate hair growth and strengthen the hair structure. The biotechnological active HairRevive[MM+Zn]S-Gly, supports scalp balance and helps revitalize the hair cycle for healthier-looking, stronger hair. The lightweight oily phase, powered by Neossance™ Hemisqualane, delivers a silky, fast-absorbing feel that smooths and softens the hair without weighing it down, leaving natural shine and improved manageability. For a gentle warming sensation, HotFlux™ encourages scalp microcirculation, contributing to overall scalp comfort and hair vitality.
