OVERVIEW

Discover this innovative liquid-to-foam hair mousse, a crystal-clear formula that transforms into a rich, airy foam through a pump system. Lightweight and easy to apply, it delivers effortless styling with a clean, fresh feel. Formulated with BergaSoft CG 50, it gently cleanses and helps distribute the product evenly through the hair. AURIST™ AGC forms a flexible film around the hair fiber, providing light hold, improved manageability, and a soft, natural finish without stiffness. This mousse helps maintain hydration while leaving hair smooth, defined, and soft. Perfect for everyday styling, it offers a modern, weightless approach to shape and control.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
