OVERVIEW

Discover this creamy solid anhydrous blush, designed to deliver a smooth, blendable touch of color with a silky skin feel. Its rich wax and emollient base combines Saboderm DOE MB and BergaCare FG Olive to create a soft-melting texture that glides effortlessly onto the skin while maintaining a comfortable finish. Structured with a blend of synthetic waxes and CosmeGreen™ PCMB, the stick offers excellent stability and easy payoff. Eastman Sustane™ SAIB enhances transfer resistance, ensuring long-lasting color wear throughout the day, while GREEN GREASE J enhances shine. Fine pigment dispersions Color Grease II provide vibrant, even color, while Rice PhytMic T delivers a refined, soft-focus finish for a natural healthy glow. The result is a creamy, cushiony blush that melts on contact and leaves skin luminous, smooth, and perfectly flushed.
