OVERVIEW

Discover this refreshing exfoliating cleanser, a clear gel infused with vibrant orange beads for a visually appealing and effective cleansing experience. The formula combines Rheostyl™ 100 to create a smooth, transparent gel texture, while gentle surfactants BergaSoft CG 50 and BergaSoft DG 50 ensure efficient yet mild cleansing. Enriched with Orange Rhyolite PhytPeel 700, the formula provides gentle physical exfoliation to remove impurities and dead skin cells, leaving the skin smoother and more radiant. Orange Blossom BioPhytWater adds a fresh, revitalizing touch, enhancing the sensorial experience. Powered by WKPep® Christal Peptide 01, this cleanser helps support skin structure while maintaining softness and comfort. The result is clean, refreshed, and visibly refined skin with a healthy glow.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
A	Demineralized water	/	Aqua	/	65,50
	Glycerin		Glycerin	Humectant	3,00
