

PURE GLIDE

DEODORANT STICK

043.G2

BODY

GP2026SPAIN

OVERVIEW

This highly natural deo stick delivers long-lasting odour control, sweat absorption and an immediate cooling, calming skin sensation. Lipex® SMP™ ensures a silky glide with a soft-dry finish, while SymDeo® B125 provides microbiome-friendly 48h protection. Frescolat® X-Cool boosts the fresh feel on application. Tapioca Pure and Purity® 21C Pure work together for a non-greasy, powdery after-feel, while ImerCare® 400D enhances sweat absorption and mattifying performance. Lipex® Bassol C™ brings high-stability nourishment, and Lipex® CocoaSoft RA MB™ ensures thermal stability and prevents crystallisation in solid formats.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
A	ABWAX® Mimic Beeswax	BRASCA	Oryza Sativa Cera, Rhus Succedanea Fruit Cera, Shorea Robusta Resin, Squalene	Consistency agent	6,00
