BODY

GP2026MEX

OVERVIEW

Discover this lightweight body lotion, designed to deliver long-lasting hydration while leaving the skin soft, smooth, and comfortable. Built with Sensogel™ NOVUS, the formula offers a silky, fast-absorbing texture with a fresh, non-greasy finish, complemented by the lightweight nourishment of Neossance™ Squalane. Gravityl™ helps improve skin firmness and elasticity, while Illuminyl™ 388 promotes a more even, radiant complexion by helping reduce the appearance of pigmentation irregularities. Ectoin® natural protects the skin against environmental stress and reinforces its natural moisture barrier. The result is a lightweight daily body lotion that hydrates, smooths, and revitalizes the skin.
