OVERVIEW

Discover this premium well-ageing cream, specially designed to nourish mature skin and preserve its beauty over time. Its rich yet elegant texture is built around Sensogel™ 200, delivering a luxurious cushiony feel, while EstoGel® Green and SAFIC' Care E CE MB create a smooth, velvety application with exceptional comfort. Enriched with Neossance™ Squalane, the formula deeply nourishes and reinforces the skin barrier, leaving the skin soft, supple, and replenished. At its core, Evernityl™ helps promote skin longevity by supporting the skin's natural renewal processes and reducing visible signs of ageing for a firmer, more radiant complexion. This indulgent cream envelops the skin in lasting comfort while restoring vitality, resilience, and youthful-looking radiance.
