OVERVIEW

This lightweight night serum features a fresh, cushiony gel texture designed to envelop the skin in comfort before bedtime. Natrathix™ Bio Cellulose provides the perfect serum consistency, while Lubrajel Marine enhances hydration and delivers a smooth, refreshing sensory experience. Enriched with Nightessence™ Biofunctional, the formula is tailored for nighttime care, helping to support skin comfort throughout the night. Collapeptyl™ combines peptides and hyaluronic acid derivatives to boost the serum's moisturising and skin-conditioning properties.
